TRAFFIC REGULATIONS AND SAFETY RULES

- PLEASE DRIVE CAREFULLY
1. Montana speed limits: Daylight—reasonable and prudent speed. Night—55 miles per hour on complete sections of the interstate system and 50 miles per hour during the hours of darkness on all other highways, except where posted otherwise. Trucks to observe the posted speed limits—50 miles per hour on all other highways, except where posted otherwise.
  2. Motorcycles are to be operated with lights on at all times when operated on any public highway or street. Not more than two motorcycles shall be operated side by side in a single traffic lane.
  3. Abandoning vehicles—No vehicle shall be parked or left standing for a period longer than 5 days on any highway or on any other public highway, or 5 days (120 hours) on any city street, or on any other public highway.
  4. Vehicles entering main highways must yield right-of-way.
  5. Proper signal must be given when passing another vehicle, changing direction, stopping or slowing down on the highway. Hand signals or mechanical turn indicators are required.
  6. Never drive at a speed greater than that at which you can stop in the clear road within sight. Slow down at night or when the road is wet or icy.
  7. When approaching another car either front or rear, dim your lights.
  8. Don't stop or park on the highway, pull out on the shoulder.
  9. Accidents resulting in death, personal injury or property damage of an apparent extent of \$100 or more require immediate notification to Sheriff, Police or Highway Patrol by quickest means of communication available. In case of accident involving a vehicle on a Montana Highway Patrol Route, Montana Highway Patrol will be notified.
  10. When approaching school buses loading or unloading school children, drivers must stop and not proceed until school bus resumes motion.
  11. Littering upon or near highway prohibited. Punishable by fine, imprisonment or both.
  12. PREVENT FOREST FIRES—USE YOUR ASH TRAY. During the Forest Fire Season vehicles entering forested areas must be equipped with ash trays and ash, except when traveling on paved roads and federal highways.
  13. Montana highway regulations provide that no combination of auto and trailer shall be operated on any highway unless the combination is equipped with a trailer hitch and a trailer light.

MONTANA MILEAGE TABLE

Mileage between two cities is determined by following the vertical column under one city and the horizontal column of the other.

Mileage distances at map edges are from last line of map.
